1. Proposed Interim Rezoning  
Grandview-Woodland Area

The Public Hearing called for March 17, 1977, to consider the proposed interim rezoning of the Grandview-Woodland area was cancelled because of potential fire hazard caused by overcrowding and also to ensure that all who wish to speak would be given an opportunity of so doing.

Today's meeting was called to provide Council an opportunity to consider future actions and directions with respect to this proposed interim rezoning.

Circulated to Council was a memorandum from the Mayor dated March 18, 1977, in which he set forward the various options open to Council in this matter.

The Director of Planning reviewed the rezoning application and set forward his reasons for requesting an interim rezoning of the area.

MOVED by Ald. Puil,

THAT the Director of Planning be instructed to withdraw his application to rezone the areas of Grandview-Woodland presently zoned RM-3 and RM-3A, excluding presently conforming custom-designed apartments, to RT-2 as an interim measure.

- LOST

(Aldermen Brown, Ford, Gibson, Harcourt, Marzari and Rankin opposed)

MOVED by Ald. Harcourt,
